Salmon charter boats — Angler permit, when required.

- (1) Except as provided in subsection (3) of this section, a person shall not operate a vessel as a charter boat from which salmon are taken in salt water without an angler permit. The angler permit shall specify the maximum number of persons that may fish from the charter boat per trip. The angler permit expires if the salmon charter license is not renewed.
 - (2) Only a person who holds a salmon charter license issued under RCW 77.65.150 and 77.70.050 may hold an angler permit.
 - (3) An angler permit shall not be required for charter boats licensed in Oregon and fishing in ocean waters within the jurisdiction of Washington state from the southern border of the state of Washington to Leadbetter Point under the same regulations as Washington charter boat operators, as long as the Oregon vessel does not land at any Washington port with the purpose of taking on or discharging passengers. The provisions of this subsection shall be in effect as long as the state of Oregon has reciprocal laws and regulations.
